 Why did Lizzie move to Michigan to live with you guys? This is the first I had heard of this. I have added this residence to Lizzie's record.
- I was really young about 9 or 10, about 1950 or 1951
- I thought it was that she was unable to take care of herself; she loved my parents but was unhappy being away from everyone in Indiana, so it was only a couple of years. When she went back, Lizzie was in several nursing homes, one I believe was in Noblesville and one was owned by a Seventh Day Adventist and didn't serve pork, which didn't make Lizzie happy. I remember going to a nursing home in Indy to see her, I think it was the last one she stayed at.
