## TO PARENTS

The schools are trying to develop your child in desirable habits of citizenship, as well as in the so-called "school subjects." Will you cooperate with us by emphasizing the development of these same habits in the home, and by helping your child to feel that improvement in these habits is as necessary as is improvement in "school subjects"?

The school year is divided into two terms of eighteen weeks each. Six reports will be sent to you during the school year, viz. at the close of the sixth, twelfth, and eighteenth week of each term. Please examine each report carefully, sign and return promptly.

We suggest that you talk over this report with your child each time it is received, and if it has any peculiar needs which are indicated to you by the marks on this card, that you confer with the teacher or principal regarding it.

You are invited to visit the schools,

Respectfully,

FRANK E. ALLEN, Superintendent.
