ORDER OF CALL, REGISTRANT'S NUMBER, NAME AND ADDRESS

Following are the names of the men in Boone, Hamilton, Hancock, Kendricks, Johnson, Morgan and Shelby counties, all contiguous to Marion county, who probably will be called in the increment for service in the army. The allotment for each was obtained from Jesse Eschbach, state conscription agent, and is his best estimate. The names published below were taken in order as they were drawn at Washington until names representing twice the allotment had been obtained. It is estimated that it will be necessary to call twice the allotment for each county in order to provide for exemptions. The list given below for each county therefore should be about the list that will be used in the first call for service. The numbers 1, 2, 3, etc., at the beginning of each paragraph indicate the order in which the numbers were drawn. The serial numbers follow.

The lists follow:

BOONE COUNTY.

Registration, 1,922; allotment, 246.
