Dear Norma + Walter,
This is our castle, it's
fantastic, high on a hill
so all the castles are. It's
in the Nahe river valley,
real wine country, vineyards
everywhere. We toured
another really authentic
castle in Switz. + it was
great. and the yodeling in
Switz. was beautiful, wish
you could hear. off to Belgium
on Sunday, + back July!

Love, Marjorie
