PAGEANT TO DEPICT EARLY HISTORY OF HAMILTON COUNTY

Activities of Underground Railroad Are to Be Shown

CAST MADE UP OF TOMLINSON FAMILY

Will Be Given on Tomlinson Homestead Near Westfield

A most unique pageant of antebellum days in Hamilton county will be staged Saturday evening at the home of Esther Tomlinson, a couple of miles north of Westfield and a half mile west of the Chester church. It will be a story of John Rhodes, a slave, and the underground railroad activities in Hamilton county during the middle of the forties. The scenes depicted in this pageant were arranged by

ROBERT TOMLINSON AND WIFE

Asher Tomlinson and will represent actual incidents in Hamilton county which occurred in 1844.

There will be a bi-annual reunion at the Esther Tomlinson home, Sat-

urday, for the members of the family and friends who may hap-

pen in and the usual big dinner at the noon hour will be served and the affair will be continued until

evening when the occasion will be featured by the pageant, which will start at 7 o'clock.

The public is invited. No admission will be charged. The entire cast will be composed of relatives of the Tomlinson family. This will be unusual in view of the fact that the members of the pioneer Tomlinson family in this county were very prominent in underground railroad activities.

The story of John Rhodes is interesting and occurred in the western part of the county in 1844. Rhodes was originally a slave in Missouri, escaped from his master, worked for a while in Illinois and finally reached Hamilton county, locating in a log cabin southeast of Baker's Corner. After his master learned of his location, he, with several other slave owners, came to Hamilton county for the purpose of claiming Rhodes as their property and taking him back with them. He refused to go and the people of his community stood behind him. The slave hunters came to Noblesville to file a case in court claiming their property and wanted Rhodes brought here, their principal object at that time being to get him out of the neighborhood where he seemed to have so many friends.

Rhodes, his wife and children were finally loaded into a wagon and during the ride they escaped, presumably being permitted to do so purposely, and hid in a hay stack on the farm of Robert Tomlinson. Later they sought refuge on the farm of Aaron Lindsey.

Later, the slave owners filed a suit in the federal court at Indianapolis for the possession of Rhodes. The court held that Rhodes was a free man by virtue of having lived in Illinois, which was a free state, for the time required by law. This closed the incident and Rhodes and his family returned to Hamilton county and spent the remainder of their days here. At the time he came to this part of the state he had only one child, but later there were three children in the family.

All of these incidents as nearly true to life as possible will be depicted in this pageant.

The Esther Tomlinson homestead, on which this pageant will be given, was first owned, so far as the family history shows, by Robert Tomlinson, in 1837. It has been in the family ever since.

FOX AND COON CHASE AT WALNUT GARDENS

Get out your old hunting clothes and brush down your dogs, for there will be big doings for fox and coon hounds, and their masters, at Walnut Gardens, Sunday afternoon, September 11th.

Walnut Gardens is a beautiful, natural park, eighty acres in size, located one mile from Camby, In-

diana, on a side road leading off from State Road 67.

There will be several chases, with various entry fees and purses. The coons and fox will be taken over the course, then the dogs released. The course of the chase will be confined within the limits of the park, so the spectators will be able to see the dogs work.

This is just the beginning of an effort to help develop fox and coon chasing in Indiana, and all lovers of this wholesome, thrilling sport will be glad to attend—either as participants or spectators. Entry blanks containing complete information can be obtained from Carl Freyn, manager of Walnut Gardens, 805 Inland Bank Bldg., Indianapolis.

CICERO'S NEW COACH

A. R. McCarty, whose home is said to be near Frankfort, has been engaged to coach the Cicero high school basket ball team the coming school term. It is also said that he will teach in the high school. He takes the place of Coach Gaskins, who resigned recently to accept a much more lucrative job at Lima, Ohio.

McCarty is said to have had a good deal of experience both as a teacher and a coach. Cicero has the material for a good basket ball team next winter and the boys expect to make a good showing on their long schedule.
