

## *Blaine School Notes*

More than a hundred members visited Blaine School last week during the school's open house in observance of American Education Week. As at other schools special programs were planned and posters were displayed in the halls. The parents saw the children at their daily lessons and visited with the teachers. On Friday morning an Armistice Day convocation was held for Blaine Junior High School students. The Rev. Mr. Ford, of the Industry U. B. Church, gave an address and a salute to the flag was conducted by Junior Brumbach and Charles and Jack Raines. The 8B boys sung an NRA song composed by themselves. Selections were played by the orchestra. Among the parents visiting the school during the week were: Mrs. Walter Peters, Mrs. Nora Reynolds, Mrs. Mae Kern, Mrs. August Haas, Mrs. C. M. Silvers, Mrs. Deward Goen, Mrs. Ethel Worl, Mrs. L. G. Dragoo, Mrs. J. M. Murphy, Mrs. Emma Markle, Mrs. Harry Laurence,
