Dear Norma - Well I think the
car is O.K. Now I sure hope so.
We sure had an awful time
coming up here. If turned
cool this eve and the wind is
rather strong but I hope it doesn't
any more as that Spoby is anything.
Daddy caught his first fish there.
We'll give you. Hope it gets me
again. So we can have some good
feeling. I am taking pictures of
myself and that's all of
myself. Beautiful - Mrs. M. B. W.
