This is one of the fine modern schools typical  
of Warsaw's excellent educational system, well  
known throughout the midwestern states. Its facilities  
are well rounded out; each department  
having equipment and a staff of men.

MADE IN U. S. A. BY E. C. KROPP CO., MILWAUKEE WIS. (G.F.)

Dear Norma, If you get this  
leaves have her to bring  
house slippers and winter  
I think they are in the  
basket. I got his feet wet this morning  
and put his wet shoes back on this  
afternoon. We had a nice mess of  
fish for dinner today.  
We went in to Warsaw this  
morning and the fair is all  
over the streets up town  
we have a swell place to swim  
but it is cold here today as it  
rained last night and this morning  
there is no way to heat the house  
I sure wish I had my oil stove here.  
but it may get warm again in a day or  
so I hope so. Love Mother
