—PUBLISHED BY THE POST OFFICE, TRVERSE CITY, MICH.—MADE IN U.S.A.—DIL—

We are in Traverse City
looking out over Traverse Bay.
right on the beach.

Water as far as you can see
and as blue and pretty as
any thing.

The car is in a storage to get the
radiatory cleaned.

We had a hard rain last night
and some this morning but it
is pretty good. Hope the Daddy & Barbara
