Muncie, Ind.

Dear Norma + all
we have been here a week
and it has rained everyday
we may go on to the Smokies
then home.

I sure hope you had a
better time than we have.
I almost killed myself climbing to
the Natural Bridge. We have been
to the Cumberland Gap and wanted
to go to the falls but it rained
so much we didn't go.
we are going to the show tonight.
Love Mother & Barbara
