Non-Graduate List to 1910

This list includes the names of all persons who have ever been students in any school of the University down to and including the year 1910. In many cases names of students are credited to the academy or some other department who subsequently enrolled in the regular college department. This was necessary because the names had to be taken from their first appearance in college catalogues.

ABBREVIATIONS

Col. = College.

Acad. = Academy (preparatory)

Normal = Normal School

Post. Grad. = Post. Graduate

Law = Law.

Theol. = Theology

Med. = Medicine.
