Dear Sis + all

How are you? We are O.K. I have
got my ironing done yet. Didn't wash
until Tues. Martha was here yesterday
part of the day. They have been
staying out home. But I think
they will go back soon. You can't
satisfy her. Talks to him like
she did for she was married. So I
think they better go home. Don't
you? We papered out home upstairs
in the first room. Mon. We papered
the stairway what we could. Sat
on the floor trying to go to sleep +
this is about supper time. We went
to hill church last nite to the Cent-
ennial. It was pretty good. Susan is
so sleepy she's mean. I've got soon
pears to can. Boy I hate to do
it. I see in the Sheridan news
Victoria was married Oct 1, in Ant-
ucky. I don't know where they
are staying. Well I don't know any
more. It has rained here all nite
It is 7:00 I am getting ready to wash
dishes. I'm going to have later dumplings
for dinner. Haven't had one for long time.
