Dear Children,

As you know Xmas is not very far away and Mary and I were trying to plan something. I don't have very much room in my house, so she wants to have a family get together in her home. We are going to have it in the afternoon on Dec. 22. A dinner but no presents. see if that plan will not work better. There is 39 now in our family and hope most if not all will come. Do come early so you can have time to visit and have a good time. I imagine you have several Cousins you wouldn't know if you met them any place.

I am well as usual and getting along very well in my new trailer.

Love
Grandma Robbins
