my trunk by express  
to B. Gregory i also sent  
two hundred dollars  
by the same express Co.  
But not in the trunk

American Express Co.  
If you send for them  
paf will have to send  
an order be carefull

you may lose it  
I would like if you  
would lay that money out  
in a home for yourself  
If you will i will send  
you enough as soon as
